

ACME WIDGETS -- REMOTE WORK POLICY

Version 3, effective January 2026.

This handbook explains how remote work operates at Acme Widgets. It covers eligibility, working hours, equipment, vacation and time off, expenses, and security. Keep this document handy; it is the source of truth for anything related to working from home.

1. ELIGIBILITY

All full-time employees who have completed their 90-day probation may work remotely up to four days per week. Fully remote arrangements need written approval from your manager and the head of your department.

2. WORKING HOURS

Core collaboration hours are 10am to 3pm in your team's main time zone. You may arrange the rest of your working day flexibly. If you work across time zones, agree a shared overlap window with your manager.

3. VACATION AND TIME OFF

Full-time employees receive 25 days of paid vacation per year, plus public holidays. Vacation accrues monthly and unused days may be carried over up to a maximum of 5 days into the next year. Request vacation at least two weeks in advance through the HR portal. Sick leave is separate and is capped at 10 paid days per year.

4. EQUIPMENT AND EXPENSES

Acme provides a laptop and a monitor to every remote employee. You may claim up to 500 dollars for a home-office desk and chair in your first year. Internet costs are reimbursed at 30 dollars per month. Submit all expense claims through the finance portal within 60 days.

5. SECURITY

Always connect through the company VPN when handling customer data. Turn on full-disk encryption and lock your screen when you step away. Report any lost device to the security team within 24 hours.
